White Glaze Porcelain

Durable porcelain is made of high-quality clay with a high aluminum content (33%-35%) and fired at a high temperature of 1350°C. This high-temperature firing process removes impurities from the porcelain clay, resulting in a more compact and stable porcelain structure. With a water absorption rate of less than 0.1%, our porcelain is not only hygienic but also doesn't absorb odors, allowing you to fully experience the original taste of your food.

Choose our durable porcelain for a dining experience that's as enjoyable as it is safe and clean.

Why choose us?

Durable porcelain is made of high-quality clay, does not absorb odors, to fully experience the original taste of your food.

Allow the culinary team to be more creative for menu planning and food plating. (Command a higher average check)

Create an Instagramable dining experience for the guests. (Free marketing for the restaurant: Improve branding, increase patronage, increase revenue)

Feast the eyes before satisfying the palates. Creating a total dining experience to have return patronage. (increase return patronage and increase revenue)

Dune

The concave lines and irregular designs on the tableware are like the irregular textures formed by the wind in the desert. The skillful hand of nature has created the wonder of sand dunes. This series will allow diners to feel the wonder of nature and experience an open-minded dining experience.

Terrace

This series of tableware can make full use of storage space. Each piece has a vertical edge and shrinks at the bottom to help stack multiple pieces. The edge design also makes each tableware like a terrace, a space where you can quickly get close to nature. This series will give diners a free and relaxing dining experience.

Canvas

The criss-crossing three-dimensional lines on the tableware are like the texture on the canvas. Thanks to the vitrified glaze of ceramics, this "canvas" feels smooth and shiny and will not be corroded. The chefs will be able to create the art of food on this ceramic canvas, bringing diners an artistic dining atmosphere.

Tassel

On the tableware, the symmetrical and repeated concave and convex textures resemble the tassels of grains or flowers and leaves growing on the branches, endless and lush. The repeated design of a single element allows this series to display a unified and elegant beauty in all directions, making people feel at ease and satisfied.

Embankment

The edge of the tableware is a flat section, resembles a embankment built by the water, which not only intercepts and stores water, but also becomes a scenic spot for tourists. This series will lead diners to feel the natural atmosphere on the embankment and enjoy a peaceful and relaxing dining experience.
