Color Glaze Porcelain

Color Glaze Porcelain

Our Color Glaze Porcelain is fired twice at specific high temperatures and kiln atmospheres, resulting in a unique color effect and texture. It is a perfect fit for hotels and restaurants of all styles while adding an artistic and modern touch to dining experience and enhance personality of dining environment.

Our durable porcelain is made of high-quality clay with a high aluminum content (33%-35%) and fired at a high temperature of 1350°C. This high-temperature firing process removes impurities from the porcelain clay, resulting in a more compact and stable porcelain structure. With a water absorption rate of less than 0.1%, our porcelain is not only hygienic but also doesn't absorb odors, allowing you to fully experience the original taste of your food.

Choose our durable porcelain for a dining experience that's as enjoyable as it is safe and clean.

Peacock

The gradient color glaze forms a flowing texture on the tableware, and crystals with metallic luster are irregularly distributed among them, just like the gorgeous peacock that opens its tail. The feathers are bright and beautiful, the down is soft and delicate. This detailed dinnerware set will add beauty and interest to the dining experience.

Gray

The frosted gray glaze is mixed with white particles and wrapped around the special-shaped utensils, making the entire tableware look like a stone carving on gray granite. It has beautiful color, high hardness and wear resistance. The combination of gray and white is full of high-end feeling, suitable for all kinds of high-end restaurants, and can create a peaceful and quiet dining atmosphere for diners.

Charming Stone

Charming Stone

The matte khaki tableware is dotted with rough brown dots, and the center of the front is smooth and bright milky white. The entire set of tableware is like rough stone wrapped in transparent white jade. The contrast of texture and color brings a wonderful tactile and visual experience. It is full of charm and will create an elegant and comfortable dining atmosphere for diners.

Rapid Waterfall

Rapid Waterfall

The smooth and bright glaze highlights the line texture on the tableware, giving the entire tableware a visual impact like the splash of water flowing down a rapid waterfall. The various colors are reminiscent of various landscapes, animals and plants in the quiet valley, full of natural wild interest. Using this set of tableware will allow diners to experience the joy of nature.

Deep Forest

Deep Forest

The center spreads out a fresh color composed of green and blue dots that reflect light, like a deep forest with dense and shiny leaves. The color in the center transitions from light blue to white on the periphery, or transitions from light yellow to black, just like the different scenes of the deep forest at dawn and night. The entire set will lead diners to experience a natural and comfortable feeling away from the hustle and bustle.
