Color Glaze Porcelain

Color Glaze Porcelain

Our Color Glaze Porcelain is fired twice at specific high temperatures and kiln atmospheres, resulting in a unique color effect and texture. It is a perfect fit for hotels and restaurants of all styles while adding an artistic and modern touch to dining experience and enhance personality of dining environment.

Our durable porcelain is made of high-quality clay with a high aluminum content (33%-35%) and fired at a high temperature of 1350°C. This high-temperature firing process removes impurities from the porcelain clay, resulting in a more compact and stable porcelain structure. With a water absorption rate of less than 0.1%, our porcelain is not only hygienic but also doesn't absorb odors, allowing you to fully experience the original taste of your food.

Choose our durable porcelain for a dining experience that's as enjoyable as it is safe and clean.

Why choose us?

Autumn Forest

The green, red and white glaze are applied to the brown vessel, and the brown underneath can be vaguely seen in the colors. This collection is like a colorful forest in autumn, with brown tree trunk, evergreen pines, crimson maple, and white mist. It is magnificent and will create a joyful and pleasant dining atmosphere.

Ancient Castle—Snow White

The black periphery is dotted with white irregular spots, and the inside is composed of white, blue and brown fine dots in different color levels. The whole set of tableware is like a snowy day, when the castle, the distant sky and the sea are gradually obscured by the falling snowflakes. The scene will give diners an amazing dining experience.
